Little Voice

“Gorgeously illustrated with colourful and expressive images, the book’s characters share centre stage with their ambitions, and with the little inner voices pushing them to reach for the stars. Whether wishing to perform better at school, meet athletic goals, rediscover that creative spark, or find the rainbow in the rain cloud, each character has a little voice pointing in the right direction. Every reader young and old can feel inspired by the positive and motivating message of Little Voice.”
